

From the Pathfinder Chronicles:
The Pathfinder Society is a globe-spanning organization of adventurers who travel throughout Golarion and explore, delve, and otherwise experience lesser-seen parts of the world.

The day-to-day running of the Pathfinder Society is managed by the venture-captains. These are usually older or accomplished Pathfinders who have settled down and claimed a Pathfinder lodge for themselves. They direct Pathfinders in the field toward new and interesting locales, and receive the regular reports that will eventually become part of the Pathfinder Chronicles.

EZREN. SORRY TO KEEP YOU WAITING.

I'M SURPRISED YOU'RE HERE.

I NEEDED TO SEE YOU AS SOON AS POSSIBLE.

YOU COULDN'T JUST WRITE UP YOUR FINDINGS IN A FIELD REPORT?

NO. I NEEDED TO TELL YOU IN PERSON.

CAN WE TALK ABOUT THIS IN PRIVATE?

YES, OF COURSE.

WHAT WOULD YOU SAY IF I TOLD YOU THAT KEY **POWER BROKERS** AND **DECISION-MAKERS** IN MAGNIMAR WERE BEING SYSTEMATICALLY **REPLACED BY SHAPE CHANGERS**, SUBTLY SHIFTING THE BALANCE OF POWER RIGHT IN FRONT OF OUR EYES?

THE MISSION I GAVE YOU WAS QUITE SIMPLE—MEET WITH OUR CONTACT IN RAG'S END AND SUBSTANTIATE ANY CLAIMS ABOUT A CONSPIRACY FORMING AMONGST THE THIEVES GUILDS.

I TAKE IT YOU FOUND SOMETHING DIRE?

I'D FIND THAT QUITE HARD TO BELIEVE...

AGH!

BELIEVE IT!

WE'VE WANTED TO TAKE YOUR FACE FOR SOME TIME, MISS HEIDMARCH...

YOUR MANY MINIONS WILL PROVE MOST VALUABLE TO OUR PLANS

YOU BASTARD!

WHAT HAVE YOU DONE WITH EZREN?!

KRAK

FORGET THE OLD FOOL. HE'S DEAD BY NOW...

...AND YOU SHOULD BE MORE WORRIED ABOUT WHAT WE'RE GOING TO DO TO YOU!

-ACK!

THOK

SURPRISE
MUSHFACE!
YE
SPOKE TOO
SOON.

THERE'S
SOMEONE
HERE
WHO WANTS
