The screenshot shows the 'Account' creation page. It includes fields for Email (burcu@monstercat.com), Display Name (Nickname), Full Name (Jon GQ Winter), Location (City, Country), and Birthday (Jan 1, 1). There is a 'Change Password' field with a strength indicator. At the bottom, there are 'SAVE' and 'SIGN OUT' buttons.

The screenshot shows the 'Settings' page. It features a 'Preferred Download Format' dropdown menu with options: MP3 320kbps (selected), MP3 128kbps, MP3 V0, MP3 V2, WAV, and FLAC. Other settings include 'Streamer Mode' (toggle), 'Skip Non-licensable Tracks' (checkbox), 'Block Non-licensable Tracks' (checkbox), and 'Make Playlists Public By Default' (checkbox). There are buttons for 'LINK ACCOUNT' (Facebook and Google) and 'UPDATE SETTINGS'.

STEP 01

Fill out the required information to create an account and store your password somewhere safe.

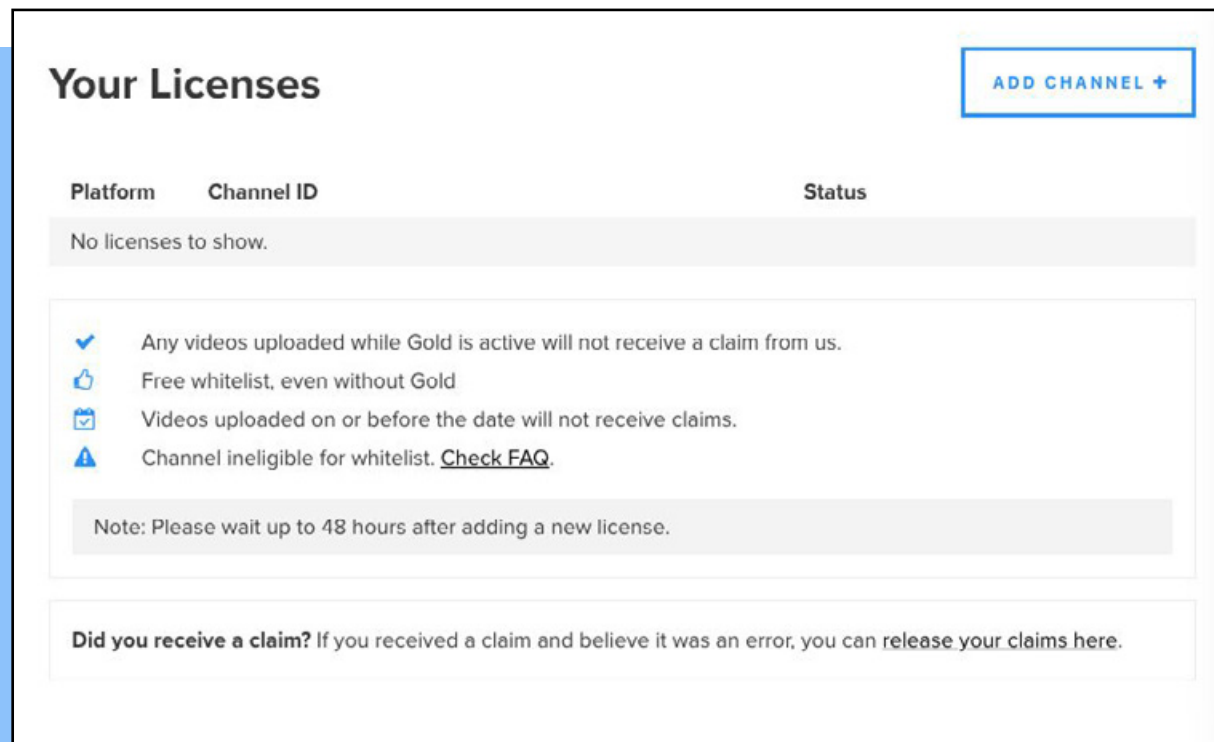

STEP 02

Through **ACCOUNT**, you can choose your **Preferred Download Format** under **Settings**.

If you would like to filter your search to only **licensable music**, you can block non-licensable tracks by turning on **Streamer Mode**. We highly recommend content creators do this, as non-licensable tracks used may receive claims.

STEP 03

Now, let's add your **channels** to get licensed. Under **LICENSES**, click ADD CHANNEL. Choose the platform of your choice, SELECT OTHER as your Category, enter your Channel ID, and click **SUBMIT**. We support YouTube, Twitch and Mixer. If you don't know your Channel ID, you can find it [here](#) (e.g., UCJ6td3C9QIPO9O_J5dF4ZzA).

P.S. You can add up to 6 owned channels under your Gold Subscription.

STEP 04

If you would like to mention Monstercat in your video's description, here's the crediting format:
