

Three weeks I have
been free of the poison
that almost killed me.

And four days, **FOUR DAYS**,
I have crawled through this vile
swamp, searching for my prey.

Sonja the Hunter,
Sonja the Unstoppable.

Yet, judging by **SCENT**,
I am more like Sonja the
LATRINE attendant.

I am in an
ill **HUMOR**. Parched,
starving, and **RANDY**.

I need wine. Lots of
it. I need hot food.

And, not to put too
fine a point on it, I
need someone warm
to fill my bedroll.

I'm not
particular.

As long
as they're
LIMBER.

While we're dreaming,
I suppose I could do
with a bath.

But that could
wait until AFTER.

This is as good
a place as any to
stop for the night.

Eyes in
the dark
watch me.

I must remember
to relieve myself
in their direction.

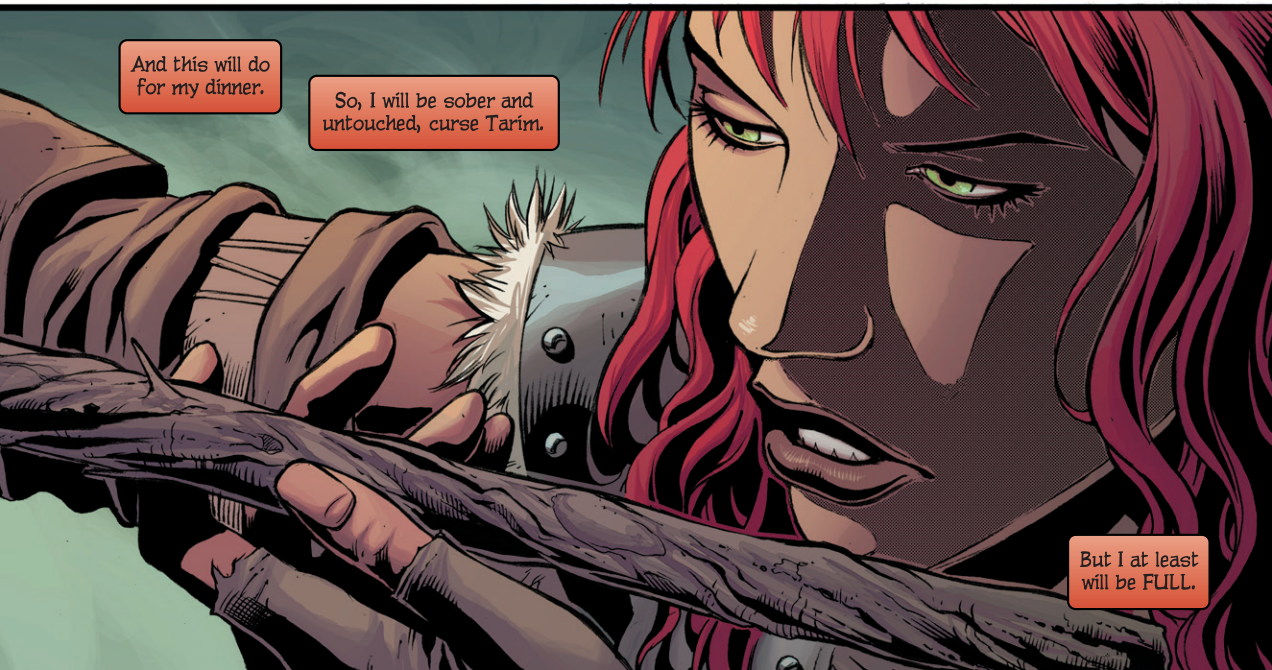

Four
DAYS.

He'd best
be WORTH
the blood I've
lost to these
gods-cursed
INSECTS.

A fire. A fire will
make me a bit less
black-hearted.

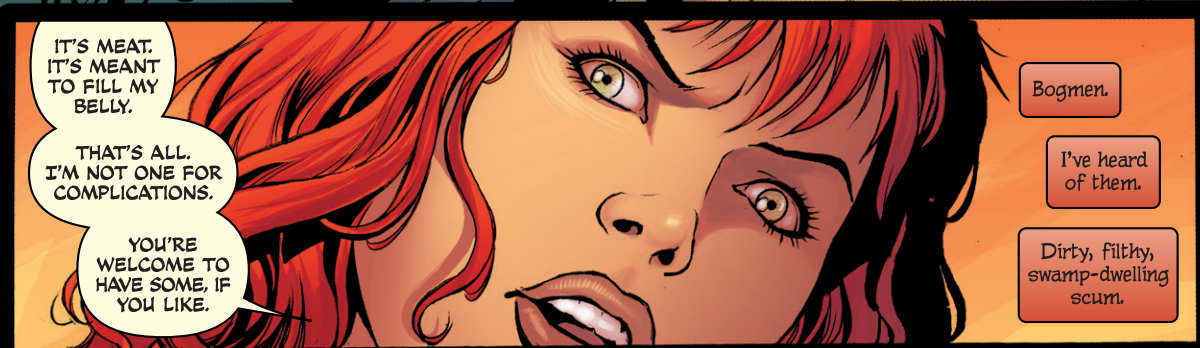

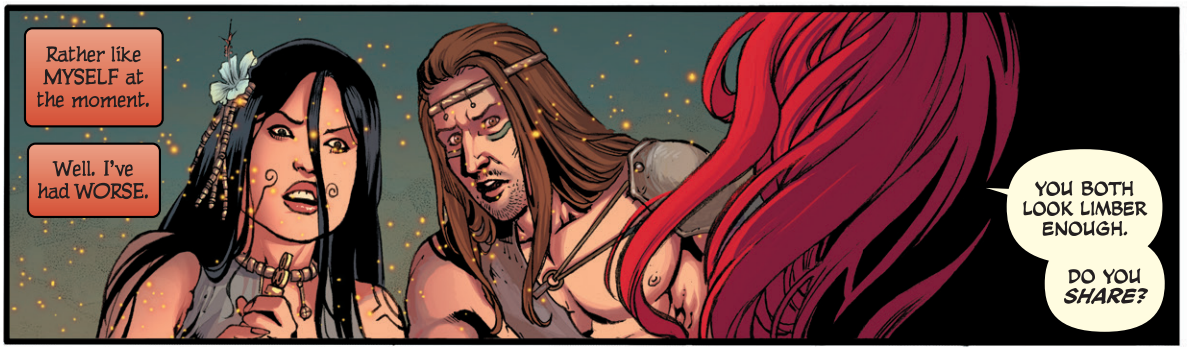

And this will do
for my dinner.

So, I will be sober and
untouched, curse Tarim.

But I at least
will be FULL.

Rather like MYSELF at the moment.

Well, I've had WORSE.

YOU BOTH LOOK LIMBER ENOUGH.

DO YOU SHARE?

NEVER MIND.

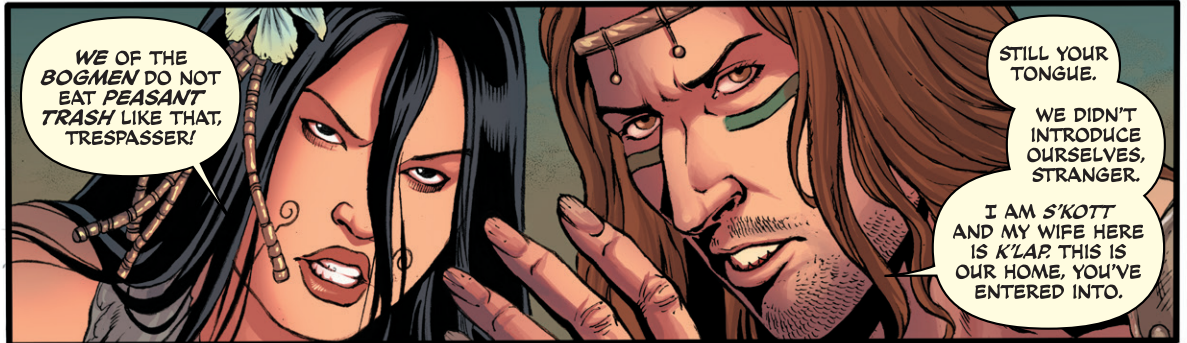

WE'LL ALL LIKELY DIE OF MALARIA BEFORE WE CONSUMMATE, ANYWAY.

WHICH DO YOU PREFER?

BURNED OR RAW?

They have my sword AND my knife.

I really MUST learn to sleep more PRUDENTLY.

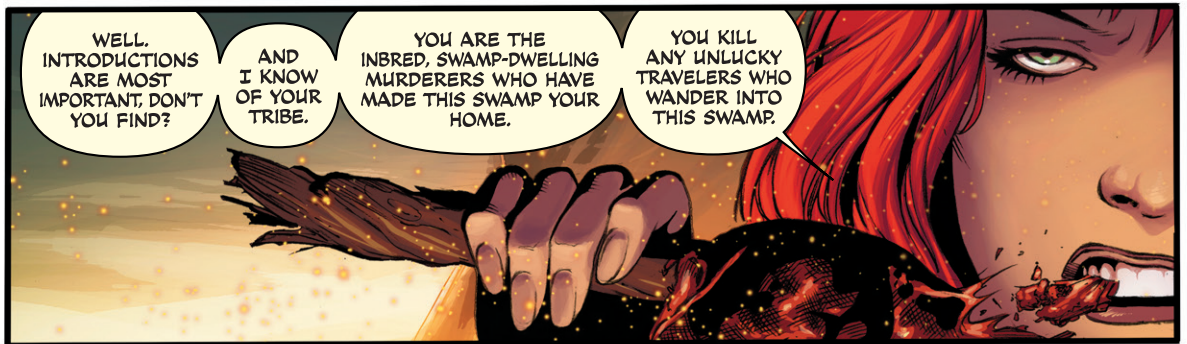

WE OF THE BOGMEN DO NOT EAT PEASANT TRASH LIKE THAT, TRESPASSER!

STILL YOUR TONGUE.

WE DIDN'T INTRODUCE OURSELVES, STRANGER.

I AM S'KOTT AND MY WIFE HERE IS K'LAP. THIS IS OUR HOME, YOU'VE ENTERED INTO.

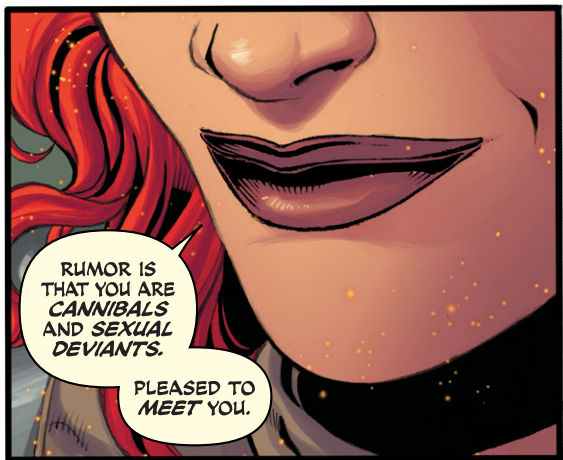

WELL, INTRODUCTIONS ARE MOST IMPORTANT, DON'T YOU FIND?

AND I KNOW OF YOUR TRIBE.

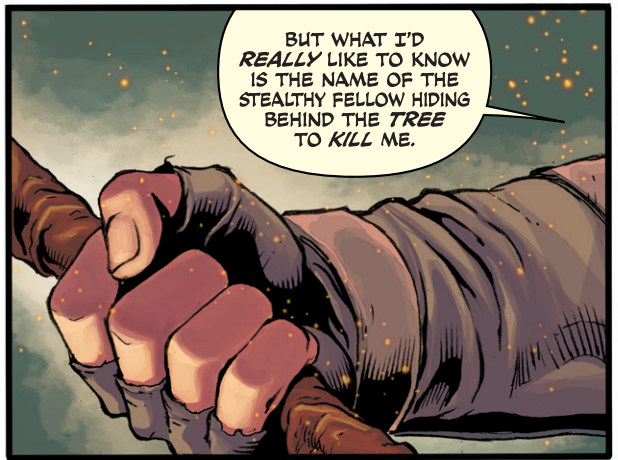

YOU ARE THE INBRED, SWAMP-DWELLING MURDERERS WHO HAVE MADE THIS SWAMP YOUR HOME.

YOU KILL ANY UNLUCKY TRAVELERS WHO WANDER INTO THIS SWAMP.

RUMOR IS THAT YOU ARE CANNIBALS AND SEXUAL DEVIANTS.

PLEASUED TO MEET YOU.

BUT WHAT I'D REALLY LIKE TO KNOW IS THE NAME OF THE STEALTHY FELLOW HIDING BEHIND THE TREE TO KILL ME.
