

THE OUTER RIM.

TWO YEARS BEFORE  
THE BATTLE OF YAVIN.

THE PLANET  
SIMBARC --

-- A MINING WORLD KNOWN BOTH  
FOR THE RICH ORE THAT RUNS  
THROUGH ITS STONY VEINS...

...AND THE FAMOUSLY "LOOSE"  
CASINOS THAT DOT ITS TREACHEROUS  
SURFACE, SUCH AS THE ONE FOUND  
HERE IN THE DAKATA SPACEPORT...

**BOOM!  
BOOM!**

...ONE THAT JUST CAUGHT HAN SOLO  
CHEATING AT ITS SABACC TABLES. AN  
OFFENSE TAKEN NONE TOO KINDLY BY  
THE ESTABLISHMENT'S SECURITY TEAM!

STEP ON  
IT, CHEWIE --  
THEY'RE GAINING  
ON US!

WE'RE  
GAINING ON  
THEM!
