The once peaceful town of Hillcrest is in an uproar over the mysterious disappearance of Carla Lee, 34 and her daughter Celeste, 8. Last seen on June 4th, the family's vanishing has put the Hillcrest PD on high alert. Police Chief Lenny Crupps said the department is investigating a person of interest, Erick Raymundo, who is believed to be an estranged boyfriend to Ms. Lee. Raymundo is no stranger to the police, with several domestic violence arrests as well as battery and multiple charges of disturbing the peace. On the night in question, Raymundo has claimed he was home watching NBA's Los Angeles Lakers with his mother. Although Raymundo's alibi has been confirmed, he has been ordered to remain in the vicinity of Hillcrest, pending further inquiry.

Police have refused to comment on reports of an Unidentified Flying Object (also known as a U.F.O.), believed to have been flying above the neighborhood on the night in question. The department confirmed over a dozen calls during the period of 9 PM through 9:20 PM, with several callers mentioning the area surrounding the Lee residence while describing the location of the U.F.O.

Renowned U.F.O. expert, Riley Martin, confirms that this has all the earmarks of a classic alien abduction, and he continued, "I wouldn't be surprised if they popped back up some time in the future, with no memory of the occurrence. To be honest, the same thing happened to me, about 30 years ago, in Mississippi. And if what happened to me is any indication, I wouldn't want to be in Carla's or poor little Celeste's shoes right now." Martin currently resides in Hillcrest Sanitorium.

Whether the disappearance can be explained by alien abduction or nefarious act committed by a jealous boyfriend, this reporter suspects we haven't heard the last of the Lees. If anyone has any knowledge of the whereabouts of mother or daughter, please contact our tip line at 1-800-PHONE-HOME.

WHILE WE WAITED FOR HER MEMORY TO COME BACK, I HACKED INTO THE SCHOOL COMPUTER TO CREATE AN IDENTITY FOR HER.

CELESTE WAS NOW A TRANSFER FROM "BACK EAST."

WE BOTH AGREED IT WAS BEST FOR HER TO KEEP A LOW PROFILE--

BUT BEING THE MOST BEAUTIFUL GIRL ON THE PLANET MAKES ANONYMITY KINDA DIFFICULT.

I FIGURED THAT AS LONG AS SHE DIDN'T TELL ANYONE THAT SHE BELIEVED HERSELF TO BE ALIEN NOBILITY, WE'D BE ALL RIGHT.

CELESTE KEPT THAT PART QUIET AND, SOON ENOUGH, SHE FIT RIGHT IN WITH MY LITTLE GROUP OF FRIENDS (BETTER THAN ME, ACTUALLY).

THERE'S COLE ON THE LEFT. SHE'S THE COOLEST GIRL I KNOW AND A GOOD FRIEND-- THOUGH SHE'D NEVER ADMIT THAT.

PAUL NEVER MET A GIRL HE DIDN'T LOVE AT FIRST SIGHT-- AND CELESTE WAS CLEARLY NO EXCEPTION.

AND JAY ANNE IS THE SMARTEST CHEERLEADER I'VE EVER MET. SERIOUSLY.
