

ALL STATIONS!

REPORT!
REPORT!

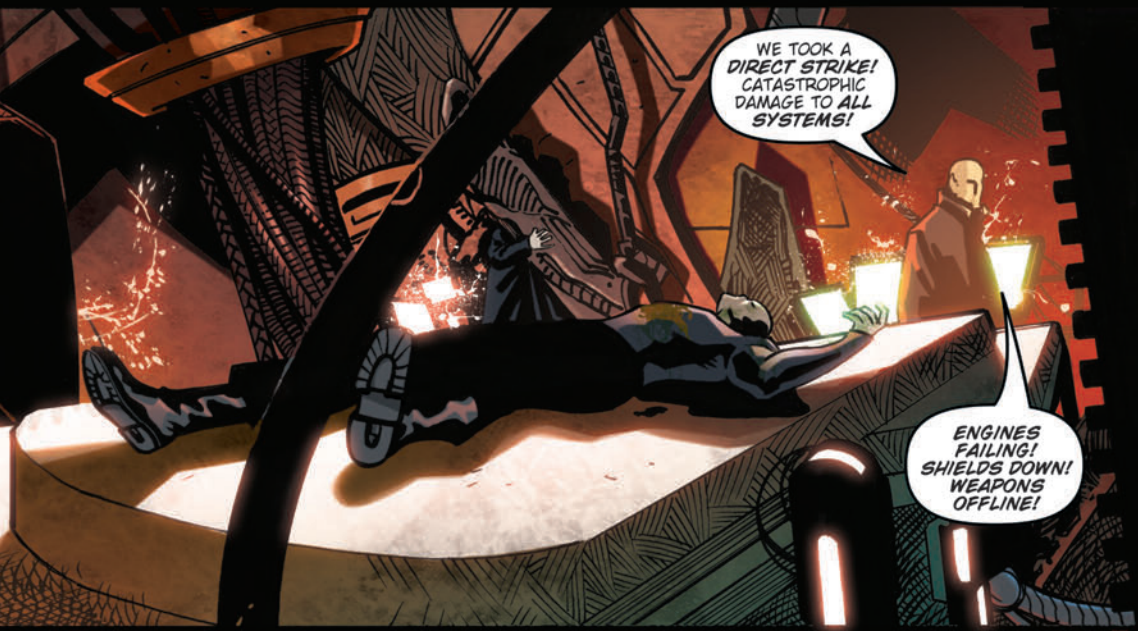

REROUTE
ALL POWER
TO THE LIFE
SUPPORT! DO
IT NOW!

AYEL!

"THAT MANIAC KNEW HIS ONLY HOPE WAS TO SMASH HIS SHIP INTO US."

"KILLING HIMSELF TO SAVE HIS CREW."

WE TOOK A DIRECT STRIKE!
CATASTROPHIC
DAMAGE TO ALL
SYSTEMS!

ENGINES
FAILING!
SHIELDS DOWN!
WEAPONS
OFFLINE!

I'M FINE, CAPTAIN.
BUT NAVIGATION IS
DEMOLISHED!

SOMEHOW THE
FEDERATION SHIP ENGAGED
THE WARP DRIVE AT THE
MOMENT OF IMPACT. THE
WARP FIELD ALMOST TORE
US APART.

"I ALMOST ADMIRE
HIS BRAVERY."

THE NARADA
WILL HEAL. IT
WILL JUST TAKE
TIME.

YOU HEARD
WHAT THEIR CAPTAIN
SAID ABOUT WHERE...
ABOUT *WHEN* WE
ARE...

THE BLACK
HOLE MUST HAVE
SENT US *BACK*
IN TIME.

BUT THAT
WOULD MEAN
ROMULUS
IS...

...SAFE
AGAIN... WE
CAN GO HOME.

NO, AYE.

ROMULUS ISN'T
SAFE. NOT UNTIL THE
FEDERATION LIES IN RUINS
AND THE RED MATTER
IS IN OUR CONTROL.

WE WILL
RETURN TO
ROMULUS AS
SAVIORS. NOT
BEFORE.

FIRST
WE FIND
SPOCK.

THEN WE TURN
THE RED MATTER INTO
A *WEAPON* AGAINST
OUR ENEMIES.

SPOCK COULD NOT HAVE ESCAPED THE BLACK HOLE. HE'LL BE COMING BACK WITH US.

THE ONLY QUESTIONS ARE WHERE AND WHEN.

CAPTAIN, LIFE SUPPORT SYSTEMS STABILIZING!

WELL DONE, XANDR. WHEN CONTROLS ARE BACK ONLINE HAVE SOMEONE THROW THE HUMAN'S BODY IN THE REPLICATORS. NO POINT LETTING IT GO TO WASTE.

AYEL, YOU HAVE THE BRIDGE. I'M CHECKING THE REST OF THE SHIP. ASSEMBLE THE CREW HERE IN ONE HOUR. ALERT ME AT THE FIRST SIGN OF SPOCK'S SHIP.

YES, CAPTAIN.

AYEL IS RIGHT.

ROMULUS LIVES AGAIN.

WE COULD GO BACK.

WE COULD BREATHE THE AIR OF OUR HOMETOWN. WATCH THE SUN SET OVER THE APNEX SEA.

WE COULD WATCH OUR GRANDPARENTS GROW UP. OUR PARENTS.

MAYBE EVEN SEE *OURSELVES* BORN AGAIN.

SEE *HER* BORN AGAIN.
