

Somewhere in the quaint suburbs of space...

I DO NOT UNDERSTAND, BRAVEST WARRIORS. WE HAVE TOLERATED YOUR IRREVERENCE FOR DAYS NOW...

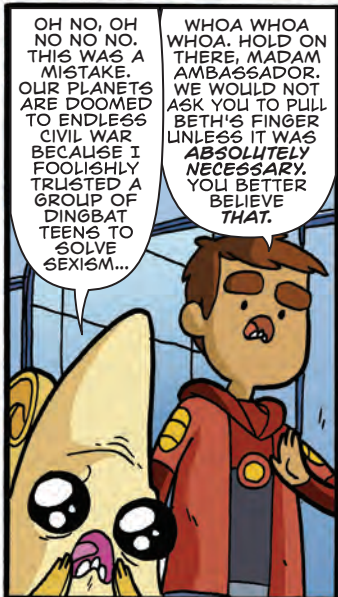

WHY HAVE YOU NOT YET SOLVED OUR CIVILIZATION'S PROBLEM OF GENDER INEQUALITY? WHY DOES SEXISM STILL EXIST?!

QUIT SWEATING IT, AMBASSADOR. THESE ARE NEW CARPETS.

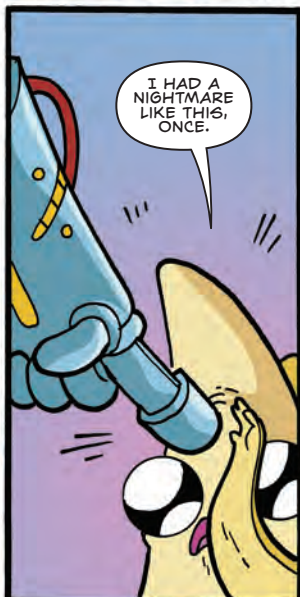

HERE. PULL MY FINGER.

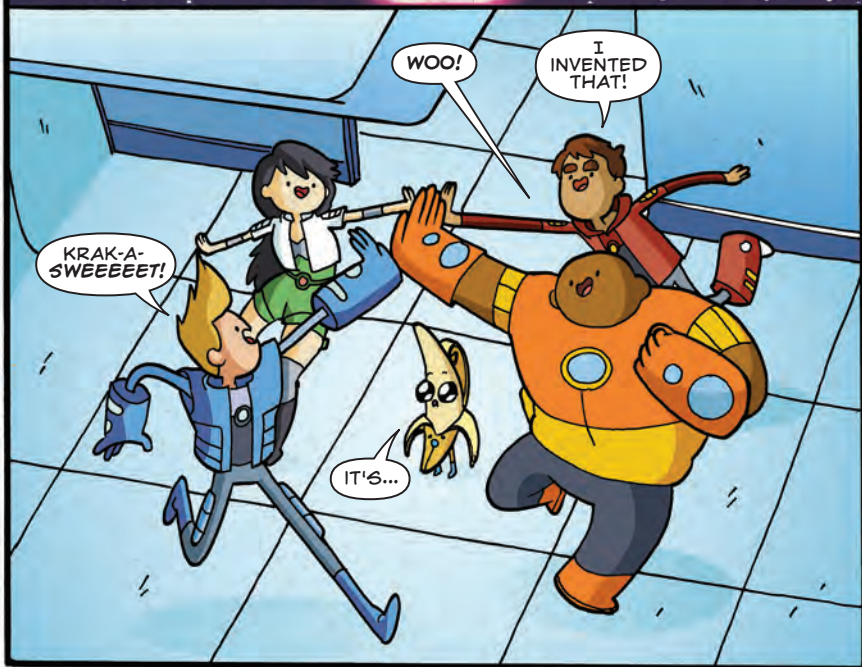

OH NO, OH NO NO NO. THIS WAS A MISTAKE. OUR PLANETS ARE DOOMED TO ENDLESS CIVIL WAR BECAUSE I FOOLISHLY TRUSTED A GROUP OF DINGBAT TEENS TO SOLVE SEXISM...

WHOA WHOA WHOA. HOLD ON THERE, MADAM AMBASSADOR. WE WOULD NOT ASK YOU TO PULL BETH'S FINGER UNLESS IT WAS ABSOLUTELY NECESSARY. YOU BETTER BELIEVE THAT.

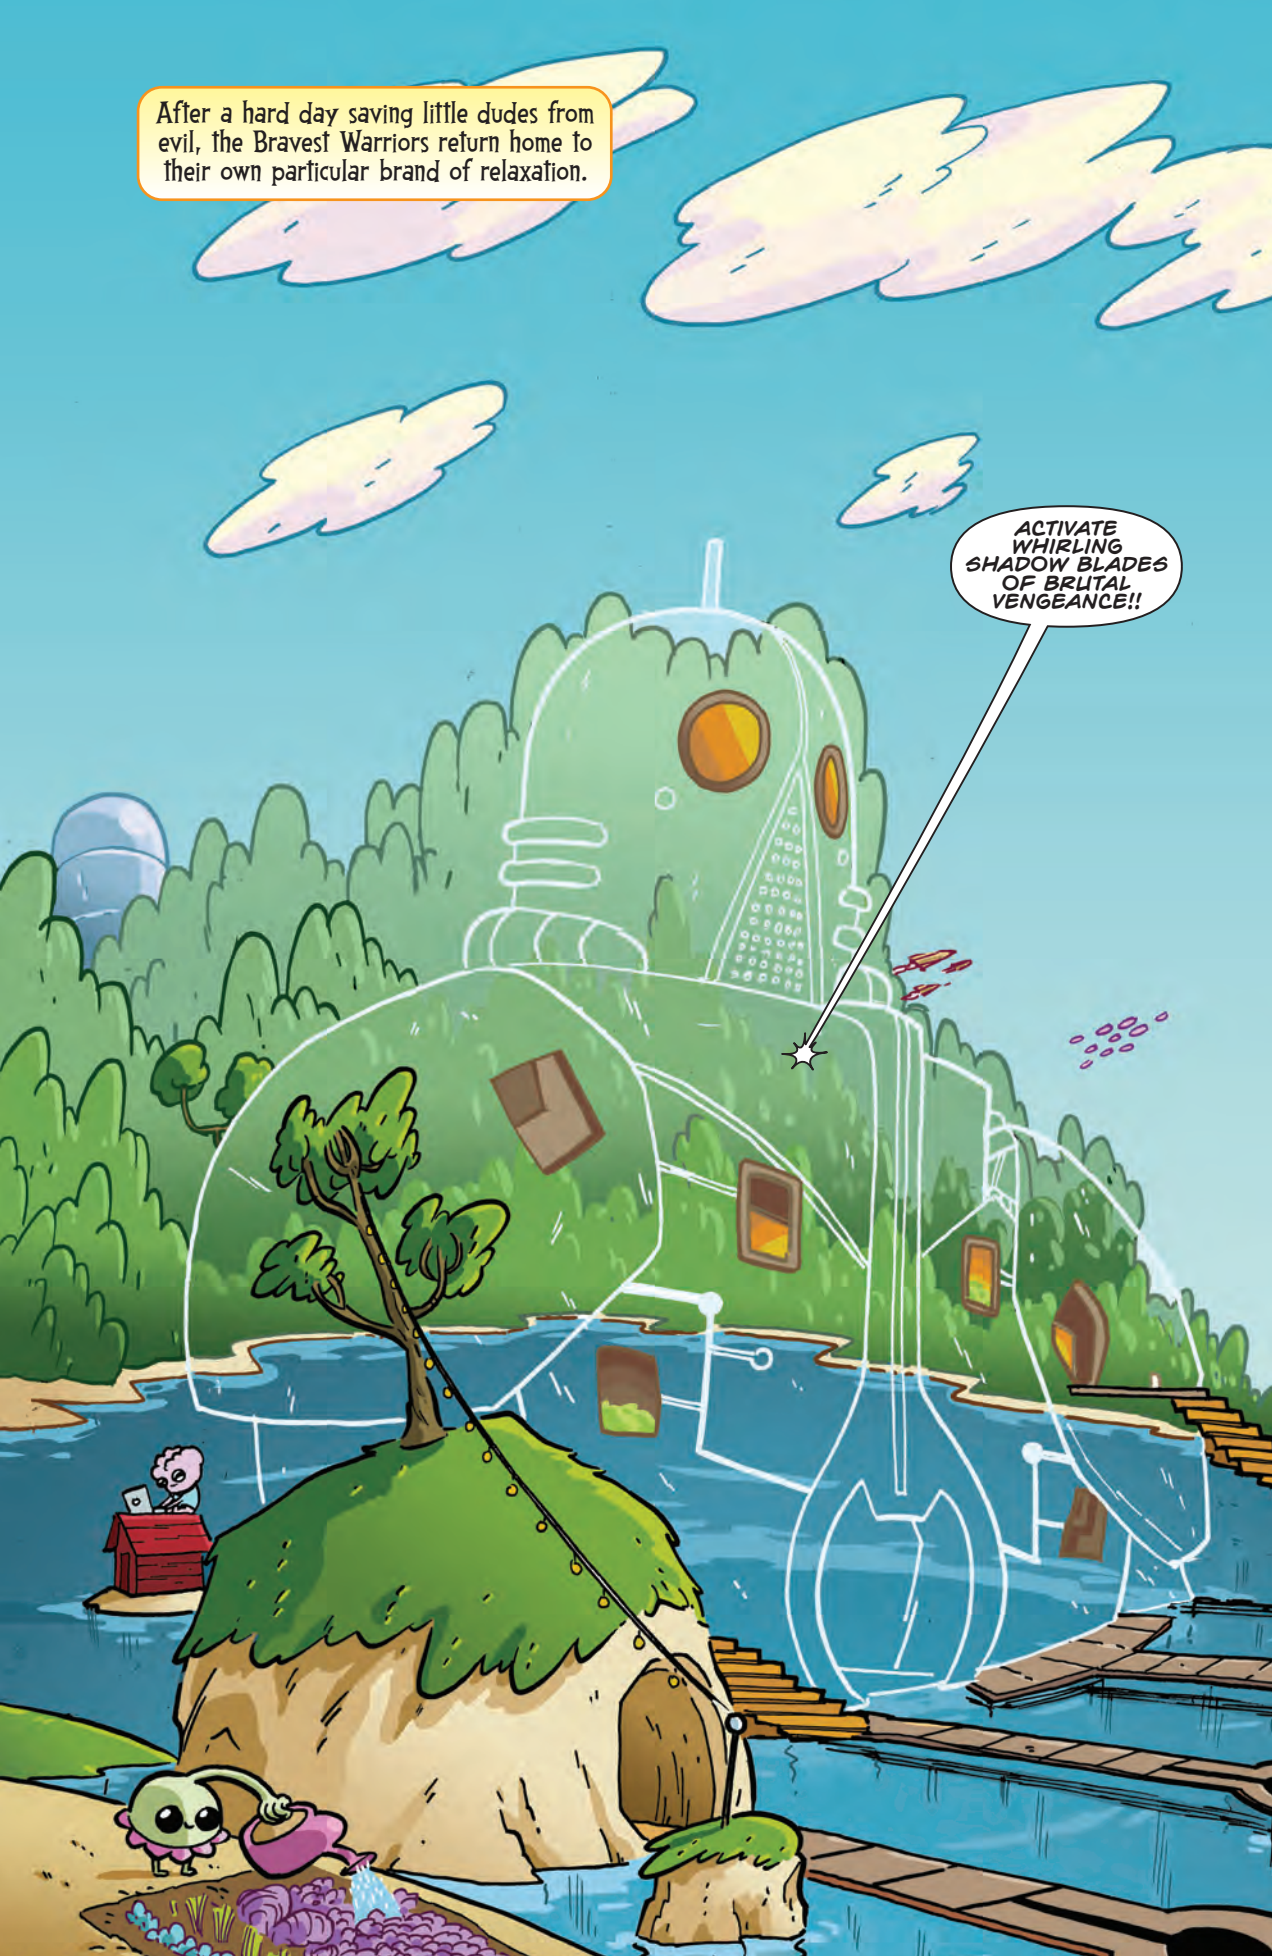

I HAD A NIGHTMARE LIKE THIS, ONCE.

After a hard day saving little dudes from evil, the Bravest Warriors return home to their own particular brand of relaxation.

ACTIVATE
WHIRLING
SHADOW BLADES
OF BRUTAL
VENGEANCE!!

THIS LOOKS DANGEROUS, BUT I HAVE TAKEN THE NECESSARY PRECAUTIONS!

I AM AN ENTHUSIASTIC BUT CAREFUL COOK!

CHRIS KIRKMAN! Perhaps the bravest of the Bravest Warriors, because he is not afraid to put safely first in the kitchen! Has a secret crush on Beth, but don't tell her! Anyway, don't we all have secret crushes on our best friends?

WALLOW! Actually, maybe Wallow is the bravest of the Bravest Warriors, because he is not afraid to let his friends know he cares about them, even if that doesn't seem "awesome." Also he can bench-press like a billion pounds, so be cool, bro.

PIXEL is an A.I. that lives in Wallow's left arm. That stands for Artificial Intelligence, although sometimes Pixel sure doesn't act like it.

I INVENTED THIS GUN AND I DON'T EVEN LIKE POPCORN!

DANNY VASQUEZ! I don't know what I was thinking earlier. Danny is obviously the bravest of the Bravest Warriors. He laughs at danger, even when danger hasn't told a joke yet. He laughs and laughs until he notices that danger looks hurt. And then he stops laughing because he knows that hurtling feelings isn't brave. And he is trying to be a nicer person.

BETH TEZUKA is probably the 2nd bravest of the Bravest Warriors. There's no shame in that! In fact, it's sort of brave of her to admit that she's not the bravest! Oh no. What if she IS the bravest of the Bravest Warriors, and this is just false modesty? Is false modesty brave? Or does false modesty make her only the second bravest again? Argh. I am overheating my skull over here. It's a good thing I'm lying down.

CARTOON HANGOVER
BRAVEST WARRIORS

THE CLIPCAKES ARE DONE, MAN.

AND YOU KNOW WHAT THAT MEANS...

TIME TO EAT THE CLIPCAKES?

NOPE!

IT'S TIME TO MAKE THE CLIPCAKES FIGHT EACH OTHER...

...TO THE COMPLETE AND LITTER DEATH.

WE ARE ALL GOING TO DIE HERE, AREN'T WE? THIS IS WHERE OUR STORY ENDS.

TO DIE WOULD BE A PRETTY FRIGGIN' RAD ADVENTURE, CHRIS.
