# BEE AND PUPPYCAT™

created by

Puppycat,  
I'm home!!

<What  
is that.>

Oh it's just  
a coffee.

I mean yeah it's  
artisan coffee and  
costs like 5 dollars  
a cup.

And yeah it's  
got chocolate and  
espresso in it so it's  
loaded with sugar  
and caffeine.

But I've  
got a handle  
on it.

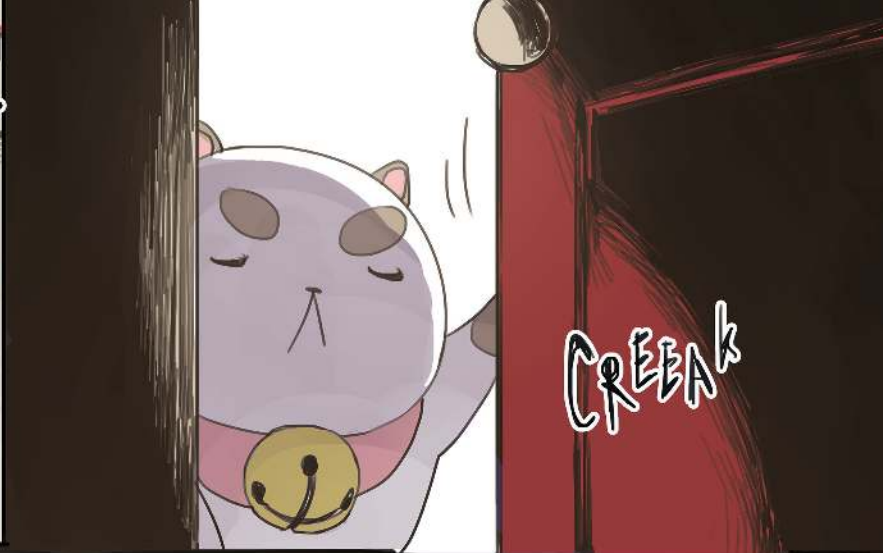

What?  
I'm a young  
adult and I  
make my own  
life choices!

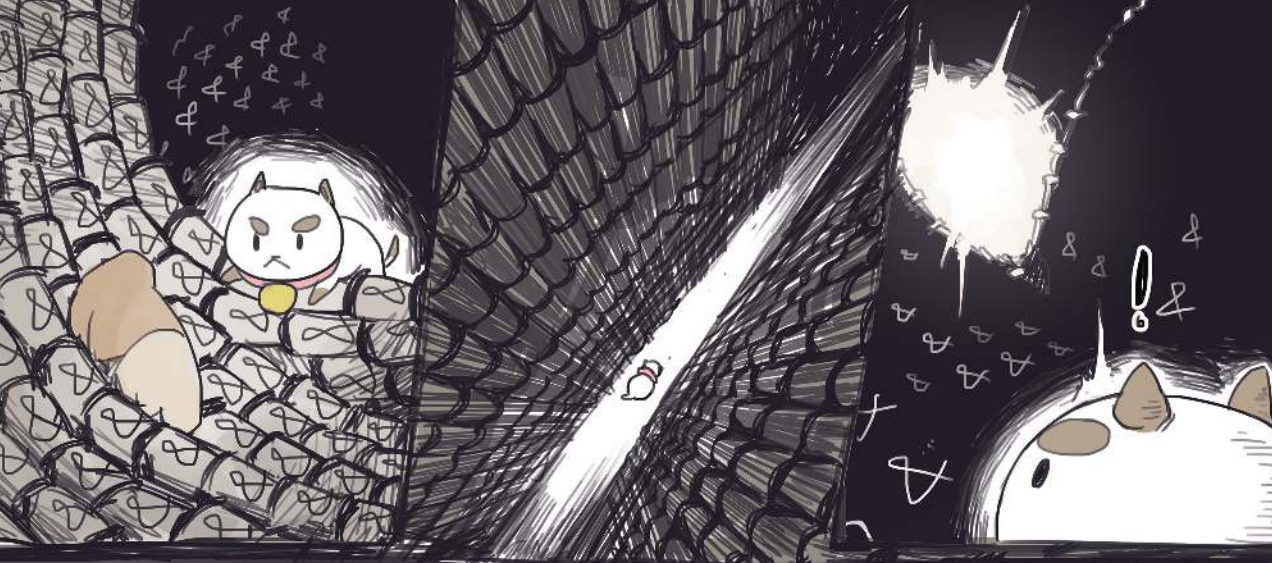

And then...

A week later...

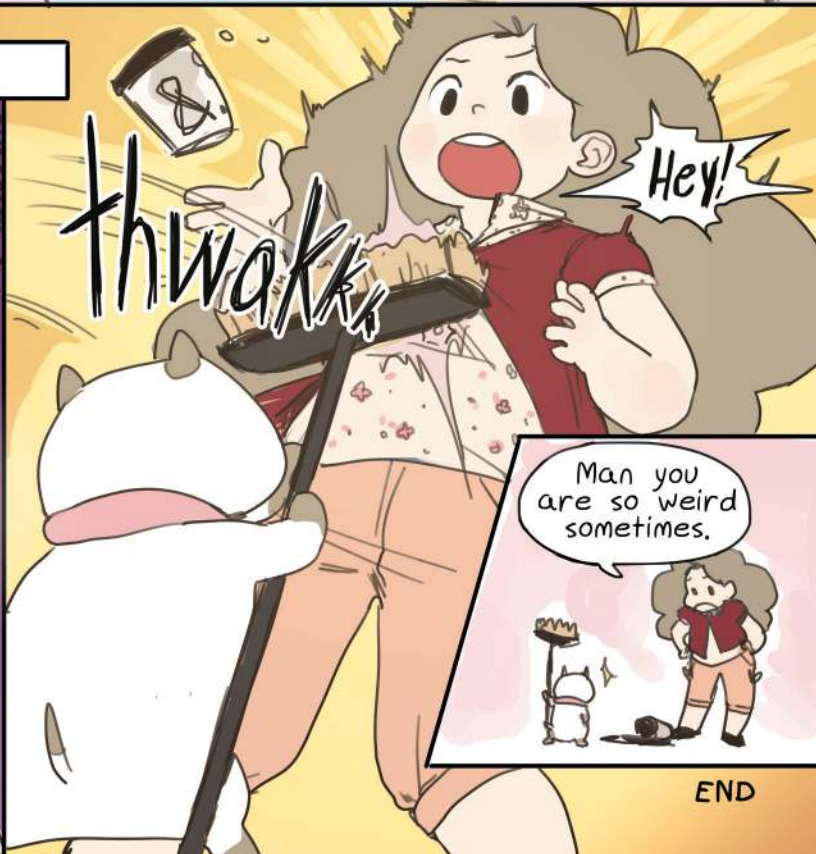

THE NEXT DAY...

Puppycat!  
I'm-

Hey!

Man you  
are so weird  
sometimes.
